

# ADA Compliance For Your Website

## OVERVIEW

Americans with Disabilities Act (ADA) website compliance is an essential component of accessibility. Join us, as we discuss tools and tips to ensure that your content can be seen and accessed by everyone. You will find out why ADA website compliance is so important and how to make sure your district's site meets these requirements.

In this session we will learn about some common mistakes that can make your site noncompliant and how to fix them, as well as technologies used to check your site for issues.

Come learn about ADA compliance - how it affects you, your users, and your community.

**Topics of discussion will be:**

- Identifying Issues
- Fixing Problems
- Educating Your Staff
- Tools of the Trade
